Hello! I'm an avid reader, and I love learning about new things. Streamlining systems and making things work is what I enjoy most. Paired with my knowledge of software engineering, this makes me an ideal candidate for working with software teams.

Experience

UI Designer/Graphic Designer | *Organic Kitchen, Gurugram | February 2021 - May 2022* | Along with various design work, including website and app screens and assets, I took initiative to completely revamp the UX and UI of their primary subscription offering (see portfolio for more).

Packaging/Graphic Designer | *Stylo Media, Kolkata | February 2020 - June 2020* | Designed packaging and graphics for ITC, using feedback and discussions with key stakeholders.

Junior Designer, Video Editor | *NewsClick, New Delhi | June 2019 - July 2019* | Designed video thumbnails and edited footage for their YouTube channel according to their design guidelines and the message of the video.
Education

B.A. in Visual Communication Design | *Whistling Woods International | July 2017 - July 2020* | Excelled in the UI/UX and Web Design courses, and topped the Typography subjects, due to my eye for detail and my software skills.

Skills

Figma, Adobe XD, Penpot
Illustrator, Inkscape

Photoshop, GIMP

Premiere Pro

Blender

HTML, CSS

Javascript

Wireframing, Sketching

Extra-Curricular

Co-Lead Designer | *WWI Cricket League 2018, Whistling Woods International, Mumbai | May 2018* | Took on leadership of design team and helped junior volunteers with using software to effectively complete their work.

Co-Lead Designer | *Celebrate Cinema 2018, Whistling Woods International, Mumbai | September 2018* | Shared leadership and bulk of design work with fellow design student for inter-college event with outside visitors.

Designer | *Celebrate Cinema 2017, Whistling Woods International, Mumbai | September 2017* | Joined the small team to help with graphics and installations.
